CDL-A Driver

Description

Located in Severn, MD, Skyreach Equipment is local and family owned/operated equipment rental company that takes pride in our People, our fleet, and our work.

Skyreach Equipment has an immediate need for an experienced CDL-A licensed driver to transport and deliver our fleet of aerial equipment, booms, fork lifts, and mini cranes—mainly in/around the mid-Atlantic area, but occasionally along the East Coast, as well (we have locations in FL, NC, MD, etc).

Qualifications

- Valid CDL-A Drivers License, 2-5 years experience driving, clean driver's record
- Reliability, integrity, punctuality, effective communication, and a positive attitude are jobs requirements
- Ability to remain flexible in response to our Customers' changing needs in the fast-paced construction industry
- Ability to work with our machines and load/unload machines from trailers (extensive operator training provided)
- Ability to provide high-touch customer service
- Authorized to work in the USA, Pre-employment Drug Screening

Job Benefits

- Full-Time Position
- Generous benefits and perks package, including 100% corporate health insurance after 90 days of employment (including dental and visual)
- 401(k)
- Paid Vacation (after 1 year of employment)
- Holidays (national holidays will be paid after 90 days of employment)
- Nights and weekends off
