

# UNIVERSAL LIFT HOOK

Don't risk an OSHA citation with straps, cables or chains around bare forks. Lift suspended loads safely and securely with a Star Industries universal lift hook. Suitable for both straight-mast and extendable-reach forklifts, this lift hook has been designed to utilize the full capacity of your forklift.

- ➔ Includes heavy-duty swivel hook with latch and bolted anchor shackle
- ➔ Easily slides on the forks and is pinned behind the heel for fast and easy securement
- ➔ Can be used with straight-mast and extendable-reach forklifts
- ➔ Rugged heavy duty construction for increased durability and long life
- ➔ Safety chain included for additional security
